Census of ceded railway lines in the State.

Sir,

I have the honour to state that in 1910-11, the Census (enumeration) of the ceded portion of the railways in the State was taken up by the Residency, similar arrangements for the unceded lines, viz., Bangalore-Nanjangud and Birur-Shimoga lines, being made by the Durbar. The enumeration schedules of the ceded railways and of the Civil and Military Stations were, however, sent to the abstraction office of the State for tabulation. I request you to kindly ascertain from the Hon'ble the British Resident in Mysore whether similar or other arrangements will be made for the Census of the ceded Railways in the State on the present occasion.

2. Of the marginally noted lines, now under the jurisdiction of the State, only the Kolar-Gold-Fields Railway line is worked ~~up~~ by the Madras and Southern Mahratta Railway Company and the rest by the State Railway Department.——
